Full School Return (added 15/3/21 by Mrs James)

Please remember all classes will have a 3pm pick up today and the return to school information in the post below outlines the exits being used by classes. A reminder that pick up should be as prompt as possible in order to maintain the flow in the carpark and help with social distancing measures in place. Please also remember a face covering should be worn when you are in the school grounds - thank you.
