Milton Primary Finance Week 28th February (added 25/1/22 by Mrs Prentice)

Milton Primary School is currently organising a Financial Education event for the week beginning 28th February 2022. This will involve a range of activities that will develop a wide range of skills and will increase the pupils' knowledge of using money and how businesses and charities finance themselves. It is also intended that the children will gain an insight into the "World of Work". During 'Finance Week', it would be beneficial to pupils to learn about a range of different careers, charities, businesses or voluntary roles. In the past, we have invited parents/carers and other agencies into school to talk about their jobs and it has been very successful. Due to current Covid-19 mitigations, we are hoping to offer a similar experience using Google Meet or Zoom etc. We would welcome as many volunteers as

possible to talk about any jobs that they may have now or have had in the past. Volunteers would be asked to talk for around 5 minutes followed by answering some questions from our learners. If you, or someone else that you know, would be willing to talk to the pupils about your career or if you would be willing to help in other ways i.e. by providing resources or suggestions for activities then please let us know using this link –Finance Week 28/2/22

Changes to Self-Isolation Guidance - Effective from 6/1/22 (added 6/1/22 by Mrs James)

As you are aware, the First Minister gave an update in the Scottish Parliament yesterday about the impact of Covid as we begin the new year. We also heard of the changes to self-isolation periods which are based on scientific and medical advice and are effective from midnight on 5 January 2022. The changes to self-isolation guidance are summarised below and are effective from the start of the school day on Thursday, 6 January 2022.

Positive cases are advised to self-isolate for 10 days. However, if the individual returns two consecutive negative LFD tests taken at least 24 hours apart with the first test no earlier than day 6 they may end isolation before the end of the 10 day period if they have no fever.

Close contacts who are fully vaccinated, having received 3 doses of the vaccination (plus 14 days) or are aged under 18 years and 4 months, can take daily LFD tests for 7 days instead of isolation - provided the tests are negative and they remain without symptoms. If someone has not received 3 doses of the vaccination, they will need to book a PCR test and even if this is a negative result, they will need to isolate for 10 days.

Advice on confirmatory PCR tests where people test positive on a lateral flow device (LFD) test they are now not advised to get a PCR test to confirm infection, but to follow isolation advice as it applies to them as a positive case (see positive case point) – there is an exception for people who may be eligible for the Self-Isolation Support Grant who are advised to take a PCR test to ensure they can confirm their infection to be potentially eligible for financial support.

Outdoor Learning (added 12/11/21 by Mrs James)

I hope you have been able to see our adventures on twitter over the last two weeks. We have worked on lots of things which have tied in with COP 26 and the John Muir award. All classes and staff have thoroughly enjoyed the various lessons on sustainability and climate change and our Milton pledges are there to remind us of what we can all do to help our planet and each other. Our House and Vice Captains have created a new and improved location for our Eco garden and each class have planted a tree which we look forward to watching grow in the coming years. Well done to all our Milton pupils for showing such passion, care and determination in their climate change work this week - we are very proud of you!

Our House and Vice Captains will be in charge of this and have sent a letter asking pupils to bring a tattie in order to plant a tattie in the new raised beds. We are looking forward to planting trees with each class and also spreading wild flowers when the time is right. If anyone has any donations of soil they are no longer using we would make great use of this as we are going through a lot of bags in the days ahead!

COP 26 Launch in Milton Primary (added 1/11/21 by Mrs James)

Our classes have a real buzz already as each have been talking about climate change and the opening day of COP 26 in Glasgow. Classes have been using Jam board to think about what

they already know about COP 26 and what they would like to find out. We are thinking carefully about what we would like our World leaders to hear and later this week we will be making our Milton pledge around sustainable development goals and how we can work towards achieving these in Milton Primary. Please follow our progress over the next two weeks on Twitter and chat with your child about the activities we have working on.

Participatory Budget (PB) Survey (added 21.9.21 by Mrs Bunten)

Participatory budgeting (PB) is a way for the families, our school community and the children of our school to have a direct say in how a portion of our PEF (Pupil Equity Fund) budget is spent. This PEF money is allocated to each school over and above their 'core' budget. This year we have been asked to consult with all parents and children to gather opinions on what we should spend a portion (5%) of that budget on. Our 5% is approximately £1400. This money should be spent in support of closing the poverty related attainment gap.

Please click on the survey below to have your say. The survey closes on the 30th of September. PB Survey

Food Items in Cafe (added 9/9/21 by Mrs James)

We have been advised by Gerry Donachie, Facilities Services Manager that catering suppliers have been facing difficulties in maintaining delivery schedules. Facilities are adapting menus

regularly as a result of shortages in delivery and continue to try to keep the same selection available to pupils whilst meeting the food and drink regulations that govern the service. We have been advised that 50/50 bread will not be available for the next 8 weeks, however, rather than withdraw the sandwich option from the 4 choice menu, it will be substituted with a baguette and the fillings will remain the same.

Well done to all the boys and girls on their return to school - a special mention to our new Primary 1 pupils who have been enjoying lots of interesting learning activities with Mrs Bryceland.
